Subject: Thank you

Hi,

Thank you so much for curating such an awesome page of resources! I've been trying to find helpful hobbies-oriented pages for some upcoming workshops we're putting on here at the library, and yours have really stood out. I'm very grateful for all of your time and effort on this.

I've stumbled across a few others in my research that I thought I'd share with you, since I didn't spot them on your list and thought others might find them useful as well:

[At-Home Hobby Storage & Organization](#)
[Tips for Cleaning Your Collection](#)
[Moving with Your Hobby](#)
[Market Price Calculator](#)
[Authenticity: Know Your Legal Rights](#)
[Spot a Fake Autograph](#)
[Protect Your Hobby](#)

I'd love to connect with you (even just via email) and hear about any other cool projects you're working on!

Thanks,

Cyrus Dylan
